FEBRUARY 23 - MARCH 1 : UBUD

Ubud is a thriving village in central Bali that is considered the cultural capital of this tiny island. It is famous as an arts and crafts hub, and much of the village and nearby areas consist of artists' workshops and galleries. Here you find remarkable architecture as well as historical museums, artists, and an array of interesting cafes, local foods, and non-stop ceremonies. The word Ubud comes from the Balinese word for medicine, so it is here that people flock for healing energies, good spirits, meditation, yoga, artistry, and indigenous knowledge.
